PRELIMINARY AMENDMENT and AUTHORIZATION TO TRANSFER CFR OF SEQUENCE LISTING FROM PARENT APPLICATION

Sir:

This paper is being filed in a continuation of US Patent Application No. 09/807,802. A marked-up copy of the specification and claims, showing the changes made is being supplied herewith. Also provided is a clean copy of the application.

The amendments to the specification are to update the cross-reference to related applications, and to conform the specification to the preferred arrangement set forth in 37 CFR 1.77(b). No new matter is added by this amendment.

The Commissioner for Patents is hereby authorized to transfer a copy of the computer readable form (CRF) of the Sequence Listing from the above-referenced parent application to the present file, pursuant to 37 CFR 1.821(e). This CRF is the same as the paper copy of the Sequence Listing provided with this application. The CRF and paper copy of the Sequence Listing are identical to the CFR and paper copy provided in the parent application. This CFR and paper copy of the Sequence Listing are compliant with all the requirements of 37 CFR 1.821(e).
